\*There is no assurance that the securities listed are held beyond the indicated date. The holdings will remain online for six months, starting 25 days after the end of each calendar quarter.

^ Risks associated with real estate securities include fluctuations in the value of real estate, extended vacancies and uninsured damage losses from natural disasters. Global investing involves special risks including fluctuations, political instability and different financial accounting standards.

This list of portfolio holdings is published on a delayed basis, 25 days after the end of each calendar quarter, and does not necessarily represent the actual investments held by the portfolio at the time of publication. All holdings are subject to change daily. This list has not been audited and is provided for informational use only. It is not intended as a recommendation, offer, or solicitation for the purchase or sale of any security. Transamerica Series Trust assumes no obligation to update or supplement this list to reflect any change that may occur, and assumes no liability relating to the use of this information.

**Investors should carefully consider their investment objectives and risks, along with a product's charges and expenses before investing. The prospectus includes complete information and other important facts about the variable annuity or variable universal life insurance policy's charges and expenses. Please read it carefully before investing.**
